LUTHERAN SOCIAL SERVICES OF SOUTHERN CALIFORNIA

Today Lutheran Social Services annually serves hundreds of thousands of individuals and families throughout Southern California with over 50 different programs/services at over twenty different locations. We are part of the Lutheran Services in America (LSA) network and strive to serve those in need with dignity and respect. We ***EMBRACE*** *those in crisis, with short-term, emergency services. We* ***EQUIP*** *individuals and families, with program resources to help them on their journey. We* ***EMPOWER*** *people to break the cycle of poverty, live with dignity and become self-sufficient.*

Lutheran Social Services of Southern California in Orange County is often the first place people turn to when they find themselves in crisis. Men, Women, and families can receive assistance with emergency food, clothing, hygiene, baby items, utility assistance, and case management services where we work with people to connect them with resource that will meet their needs. Special kits are also available for the indigent living in motels.
