Noisy Offering Ministry

Noisy Offering is, as its name indicates, noisy. Throughout the school year, we ask Christian schools to invite students to join us in bringing spare change, as a symbol of the **change** we hope to make in our communities. When children's quarters, pennies, nickels and dimes drop, it is a tangible reminder of the **noisy** disruption we are called to make through the Gospel of Jesus Christ. While we love the joy their small change brings, we also appreciate the impact the "kind that folds" can make. Whatever their gift, we pray it inspires them to learn about giving, one **clink, clank, clang** at a time!

Your school's Noisy Offerings will go toward the programs and ministries of Lutheran Social Services of Southern California. Visit lsssc.org to learn how your commitment to **change** can make a difference today!
